INES CUDNA IN SCORE

Dear Voluptuous,

As a subscriber to both V-Mag and SCORE, I felt it was my duty to let all of my V-Mag-only brethren know that the beautiful Ines Cudna has an incredible 2004 calendar in the Jan. '04 issue of SCORE.

As I mentioned earlier, I subscribe to both magazines, but I always receive SCORE in the mail before I receive Voluptuous. When I got my issue of SCORE and saw Ines Cudna's calendar, I was in heaven. A few weeks later, Nicole Peters' calendar arrived in the Jan. '04 Voluptuous, and I was completely stunned.

These two beauties are the best discoveries you have had in years. To have two calendars with those incredible pictures, all of them HUGE. Wow! I have one at home and the other at my office. It sure does make going to work a whole lot easier.

Thank you for making this subscriber doubly happy.—D.R., Texas

Editor's Note: The Jan. '04 SCORE with the FREE 32-page Ines Cudna calendar is available in the back issue department on page 10 of this issue.

FIRST TIME LETTER WRITER

Dear Voluptuous,

This is the first time that I'm writing to an adult magazine, but I couldn't hold it any more. I simply love Voluptuous. I like everything from

Here's a look at Ines Cudna's 32-page 2004 Calendar, FREE in the Jan. '04 SCORE. Fifteen double-page, pin-up photos of Ines, available in the back issue department on page 10 of this issue. Supplies are limited so get yours now, before they're all gone.

your models to your XXX pages. It's so exciting to see a Voluptuous woman alone or having fun with a guy.

I've always been attracted to that kind of women—fat, juicy titties and big, loveable asses. I'm in paradise.

It would be a real pleasure to see Samantha in girl-girl action with Devin Taylor. Both women are incred-

ibly beautiful. I just love their tits and asses, plus their beautiful faces.

Your Holiday '03 issue is great from cover to cover. It's really hard to pick a favorite. I just love your new candidates like Devin Taylor, Maria Moore, Christiane (whom I'd love to see with a guy), Ines Cudna and Cherry Brady. It's hard to keep the count on how many times I looked at those pictures and had some fun. The pictorial with Annie Swanson is wonderful. Great cum shot. I wish I was that lucky stud!

I really love Samantha. I simply can't resist the way she likes to play with a cock. I also wish we could see another pictorial of Susie Wilden with a guy. She's wonderful.

The more I see your magazine, the

Not only do you save 70% off the cover price, but you also receive FREE S&H on all DVDs and videos, subscriber-exclusive 15% discount savings on all products The SCORE Group offers, a couple of FREE bonus issues and even a FREE subscriber-only newsletter.

PHOTOGRAPHER'S CREDITS

Dear Voluptuous,

When Diane Poppos was a regular monthly feature in another magazine a few years ago, I used to enjoy her and shoot a lot of loads over her. But I never fully appreciated just how magnificent Diane really is until I saw her in a couple of SCORE Group magazines, the best being her new layout in the Jan. '04 Voluptuous. She was always good jack-off inspiration, but now I see her as the truly breathtaking beauty she really is. Some other mags (rags) always treated Diane like a slut. But The SCORE Group treats her with

respect and dignity like the lovely, sexy answer to a tit-man's prayer that she is. Many thanks to Voluptuous for featuring her, and to Diane herself for returning to the wonderful world of nude modeling.

Diane almost distracted me at first from the wonderful Nicole Peters 2004 calendar, which is in itself worth the price of the magazine. Nicole has established herself as a genuine big-boob superstar without doing XXX and without even opening her pussy all the way. And Nicole's lovely face and warm smile add to the beauty of her gorgeous breasts. I'm sure that her calendar will remain a prized possession even after you publish the 2005 calendar next year.

I'm also thrilled to see Jenny again. You say Jenny now equals Linsey in the number of times she has been featured in Voluptuous. I may be in the minority, but I've gotten bored with Linsey. But I could never be anything other than excited every time I masturbate over Jenny's hanging beauties.

I searched in vain for photographers' credits for Diane's and Jenny's layouts and Nicole's calendar. You

really should give your talented lensmen credit. They make The SCORE Group's publications stand out above the rest.—T.R., Pennsylvania

Dear T.R.: Jenny's lensman was John Graham and Diane's was Peter Wall. Both are SCORE Group staff photographers, John in England and Peter in Miami. The reason we do not give photographer credits on a regular basis? The models are the stars, not us. Plus, as any photographer will tell you, the lensman is just one part of a team. From the make-up artist to the the art director to the editor, there are 20 more dedicated people who deserve credit in delivering the best big-bust magazines to readers monthly. We could list all of their names in a gratuitous plug, but at V-Mag we prefer to go by our team name, which is...Voluptuous.

ALADYA, BORING? NEVER!

Dear Voluptuous,

I must compliment you on the Jan. '04 issue. It was fabulous.

The new layouts of Blondie drained my nut sac! She becomes more alluring with each successive pictorial.

Thank you for the wonderful Nicole Peters Calendar. I will treasure it throughout the year.

I am somewhat amused that Aladya thinks she has become "boring."

Never!

I have savored each of her four Voluptuous and single SCORE pictorial. Few women raise my hormonal level like this easygoing Canadian beauty. This latest pictorial is no exception. She has a way with the camera that is both fresh and exciting. The intensity of my climax while viewing her photos is amazing. The volume of pearl gel I have ejaculated over the photo sets of Aladya is incalculable. So, before she disappears into the rainforests of Vancouver Island forever, V-men need to let her know that she has not at any time in the past, present or future been "boring."

Aladya, you are a living erotic work of art that V-men will treasure forever.—J.T., Chandler, Arizona

NO MORE SHARDAY VOTES!

Dear Voluptuous,

No more votes for Sharday until she does a video! As great as she is with all the right stuff to make her great, I wonder what her hangup is.

All she has to do is stand or sit and let the camera move around her. Hey, guess what? That would be a great video! She doesn't have to do anything. After all, isn't a picture in a book but one frame of many in a series? What's the difference? Is she afraid that someone will notice her or something? It's too bad for all of us. What a shame.-J.E.T., Oregon

Dear J.E.T.: We've asked Sharday repeatedly, but she insists on posing strictly for magazines. And, we respect

her decision. As for her "hangup," Sharday has told us she's inherently shy, and she feels that she would be too nervous for video. Hey, some girls do video, some don't. Rather than being down on Sharday, this should make all of us appreciate those girls who do video even more. As for our reigning Model of the Year, we're not going to twist her arm, because you want to know the real "shame?" One day Sharday will retire altogether. Rather than criticizing her for not performing on video, we prefer to thank Sharday for being kind enough to share herself with us over the past few years.

BUSTY BLACK BALTIMORE

Dear Voluptuous,

I happened to be born and raised in the same city that Deja lives in. That's Baltimore, Maryland. I can tell you that Deja is just one of many busty black beauties in this city. Now, I don't travel the country in any way, but I would put Baltimore up against any city on who has the biggest breasts! Every day I leave the house, all I see are beautiful black women with huge breasts. I could take my pick. Just about every woman I am friends with or messed around with had very large breasts that are 100% natural and could contend with any V-girl.

So, believe me, Deja is not alone in this city.-S.M., Baltimore, Maryland

ANOTHER ALADYA FAN

Dear Voluptuous,

Hello from the great state of Alaska. This is the first time I have ever written to a publication. I wouldn't have had the nerve to do so if I hadn't been inspired by Alayda's pictures in the Jan. '04 Voluptuous. Don't get me wrong, I believe that I am as brave as the next guy, but when it comes to women, I fall back to the days of junior high dances where you spend more time looking at your feet then across the room.

The only reason I have written is to ask a favor: to have this e-mail forwarded to Alayda. Who knows, she may even write back. Sorry, I am laughing at myself at this point. I am sorry that I am not the one to send you a great tale of conquest because that's not my past or future. I'm the guy who drives my drunk friends home and gets speeding tickets doing so. Hardly a player, like some guys.

V-MAG'S DEBUTANTE CUMMING OUT PARTY

**All Stacked! All Natural! All
Getting Their Cherries Popped!
Some Of Our Best XXX Debuts!**

Yep, there's nothing like seeing a busty babe manhandling a big cock, and when it's her first time getting fucked on film, so much the better. We've had some good ones in the four-plus years we've been doing *Voluptuous Xtra*, and going through our issues and some *SCORE Xtras* as well, we've come up with six pages of cumming out parties worth another shot. First up, The Natural...Linsey Dawn McKenzie. LDM made simultaneous debuts in the December '96 editions of *Voluptuous* and *SCORE* and resisted the call of the on-camera cock for years until 2001. That was the year she got married and decided to do the deed with her new spouse Terry. The marriage didn't last but the honeymoon video is an all-time best-seller. Opposite page, everyone's favorite big gal, Samantha, knows how to pleasure every inch of a man's meat, which she did with horny abandon in *Voluptuous Xtra* #3 and then again in *XL Xtra* #1 and *XL Xtra* #3.

Linsey Dawn McKenzie

Samantha *XL Xtra* #1
and #3, *Voluptuous Xtra* #3

Annie Swanson
Voluptuous Xtra #5

Annie Swanson (left) wrote a letter about her boyfriend being a big-time *Voluptuous* collector, and she asked if she had the right boobs, face and body to go up against the hottest of the hot in *V-Mag*. Well, she did, and then Annie went all the way for the team in *Voluptuous Xtra* #5. That scene was so flammable that Annie fucked again for the whole world to see in *Voluptuous Xtra* #6. At right, Autumn-Jade made *V-Mag* history with her video cherry-popping in *Ultimate Autumn* in a military boobcamp scene and then as a sexy waitress getting fucked in a diner in *SCORE Xtra* #7. The girl from Alabama had debuted in October '98 and had only made girl-on-girl videos (such as *Linsey's Lezzie Seduction* with LDM) until the happy day that she resurfaced in the fall of 2001 after being AWOL for over a year. By then, Autumn, a born cocktease, was intrigued by the idea of screwing a guy for the boys watching at home, after licking the pussies of LDM, Chloe Vevrier and Russian Kathy, so she took the plunge. Or should we say plunger. Below, huge-titted Amanda White shagged her shapely tail off in *Black & Stacked Xtra*, and nearly destroyed the bed in *V-Mag's* London studio. Amanda's XXX video scenes are infrequent, so this was a spot of good luck!

Chloe Vevrier
Best of Chloe DVD

Chloe evaded the call of the cock-camera for seven years. In 1999, she gave up her panties in *Ultimate Chloe*, which featured Chloe and Russian Kathy in a sweaty threesome with Kathy's boyfriend Matt. But Matt was an ordinary guy with an average pussy-lever. In the follow-up, *Chloe's Ultimate Encore*, the right-sized zipper-meat Chloe really needed was wheeled in to stuff her famous snatch properly on screen for the first time. DVD collectors get both hardcore XXX scenes and a lot more in *The Best of Chloe Vevrier: A Decade of Enchantment*. After those two scenes, Chloe said "Auf Wiedersehen" to making any more movies in which she's sucking cock and licking balls. At right, phenomenally popular Susie Wilden gave her mouth, pussy and butthole to British bone in *Ultimate Susie Wilden*. It took some begging, but persistence always helps to spread open legs.

I hope to have not wasted your time, and I hope you send this letter to Aladya so she can know how special she is and how she can make even a grown man turn into a blubbering, love-drunk fool!—J.B., Alaska

NO NAVEL PIERCINGS

Dear *Voluptuous*,

Picked up the Holiday '03 *Voluptuous* and I wanted to offer my praises, one pan and a query.

First, the praises.

Christiane, the blonde from Germany. She is unbelievable. She has such full curves, especially her belly and bottom.

Maria Moore. *Yowsa!* I'd definitely like to snuggle with her after "doing it" like a wild fuck rabbit!

Devin Taylor—another delightful *V-Mag* girl. Nice lingerie and stockings. She reminds me of the girl in the movie *Summer Catch* with Jessical Biel and Freddy Prinze, Jr.

Ines Cudna has that look that they could use in Hollywood right now. Great boobs. Beautiful face.

Finally, Cherry Brady—*schwing!* Another winner!

My only pan is Angela White. I don't care for navel piercings myself. I'm more into the natural look, and I'd rather see Angela free from all of that stuff. She has an incredible body and doesn't need any piercing jewelry.

Finally, a query. Is Gwen the same girl you had in *XL #73*? If so, she looks better without the navel piercing.

Keep up the good work you lucky dogs!—P.J., New Jersey

Dear P.J.: Yes, the two Gwens are the same model. For those of you who don't have *Voluptuous XL #73*, it is available in the back issue department on page 10.

HOOKED ON SAMANTHA!

Dear *Voluptuous*,

Of all the lovely ladies and beautiful bosoms to be displayed in your wonderful magazine, there are none to come to my eyes who will ever top Samantha, the "Queen of the Plumpers." The way in which the fineries of her flesh have distributed themselves over her frame to form

LILITH

The *Voluptuous Xtra* Fuck-Queen Goes Solo!

After four straight pictorials “partnered-up,” here’s a rarity—Lilith solo! Yeah, we know you loved seeing her with Autumn-Jade, Annie Swanson and a pair of flesh-n-blood dildos, but with a *Voluptuous* body like this, the only person Lilith really needs to get off is...you!

Now starring in her seventh *V-Mag* pictorial, that dildo is about the tamest partner we've seen Lilith with in quite some time. In the May '02 *Voluptuous*, she got ravished by Autumn (page 91 of this issue) in the mag and in the video *Ultimate Autumn*. Then, she sucked a schlang in the Aug. '02 *V-Mag* to coincide with her *Voluptuous Xtra* #4 and #5 XXX hardcore videos. And because she's just a horny, horny girl, Lilith munched on Annie Swanson's carpet in the Dec. '02 *V-Mag*. Three fuck-fests in one year—a *Voluptuous* record! Her fourth fucking came in the May '03 *Voluptuous Xtra*, and now, with her first solo pictorial in over two years, we were just wondering, has Lilith's libido slowed down? "Nah! In fact, I'm hornier than ever. I just figured you all would get tired of seeing me have sex all the time, so I'd give you a nice change of pace. You know, leave *something* for the imagination!"

Tired of seeing Lilith fuck on camera? Yeah, right?!? She's so hot, all three of her videos are on *V-Mag's* bestseller list, with *Ultimate Autumn* recently being named one of *SCORE's* Top 10 Videos of 2003. That video is in this month's Video Club on page 98, and for Lilith's cock-candy selection, we've added her XXX hardcore debut, *Voluptuous Xtra #4*. "That's my fave. I mean, both were great sex!" says this St. Louis dancer. "But, you know...Nothing is like your first time. I have a confession to make, too...I watch the video all the time. I get out a big dildo and I cum in seconds, and I keep cumming over and over during the whole scene! It's just so hot, I can't help myself." Trust us, Lilith, we know exactly what you mean!

ANGELICA RAVEN

**Your perfect *Voluptuous*
poster-girl cum to life!**

Gentlemen, start your stroking! Here cum Angelica Raven and, hot damn, look at these pictures! You guys know how a lot of gals look great all dolled up, but when the clothes come off, it's a fuckin' train wreck. Not Angelica. She's a bonerfide babe in cotton and a pagan sex goddess totally nude. Plus, she's a nice gal and she fucks like a bunny in heat! *Voluptuously* perfect? That would be an understatement!

Yeah, we know Angelica has that strikingly beautiful, sharp-eyed look that would say “stuck-up.” But, the truth is exactly the opposite. Angelica is a great gal. Sweet, nice, great to have lunch with or just to tit-chat with hanging around the office. Yeah, we have a great job here at *V-Mag*, especially when Angelica prances around the office in a bathrob, glowing with the look of a woman who just came constantly on *Voluptuous Xtra* #8, snuggles on up beside you while you look at naked pictures of her on your computer screen, and whispers in your ear... “You know what? I’m a really great fuck!” It’s enough to drive an editor to masturbation! Wanna know the best part? Angelica ain’t lying! If you’ve seen *Voluptuous Xtra* #8 and cum at least eight times during Angelica’s porking, you know she speaks the truth!

That great backside notwithstanding, one of our fondest jack-moments in, well in life, is seeing those incredible eyes of Angelica looking up into our eyes while she slides her silky soft mouth up and down our cock on *Voluptuous Xtra* #8. Okay, okay...So she was doing a porno guy. But, that's Boob Vision for ya. Great camera work takes you right in on the sex, with Angelica's boobs bouncing all over the place, her ass cheeks jiggling with each thrust and those beautiful eyes looking up at you while she fucks your cock with her mouth. Turn to the Video Club on page 98, V-men, and experience the difference.

ANJA

Germany's Curvy, New Natural Star!

Her name is Anja, she hails from Dresden, Germany and boobs and ass aside, man oh man, does Anja have some nice skin! No, this isn't some kinky fetish or the start of some new magazine. The girl just has super smooth, lusciously luxuriant skin, with no tanlines whatsoever, which is how Anja wanted it for her *V-Mag* debut. "All Stacked! And 100% *All Natural!* That's me! I'm anatural in every way!" That you are, Anja!

An office worker in Dresden who looks a lot younger than her 27 years, Anja has decided to model for a couple of reasons. One, to supplement her income. And two... "I really just wanted to have some fun! That's the main reason. You know, I see a lot of Americans here in Germany, and they all love me and my body. Especially the soldier-boys. And many have magazines, and they are always telling me I should be in them! In fact, one soldier I know has every *Voluptuous* ever made, and one night he showed me all of the magazines and was saying, 'You're better than her... and her...and her!' He seemed to really know what he was talking about, so I decided to give it a shot." Trust us, Anja, it ain't just the American soldier-boys who are giving you a shot this month.

**VOLUPTUOUS
READERS'
HOT, SECRET
CONFESSIONS**

Greetings V-men! It's that time of the month. Great pictures, hairy palms and...toilet reading?

You betcha! But, not just any reading. True, horny, big-titty worshipping confessions from readers just like you. Not that made up, professionally written shit you see in lesser rags. In *V-Mag*, we only publish confessions from every day people. True, professional copywriters do type their articles and submit an electronic file, and they don't underline horny stuff in cum. But, hey, we suffer some things for credibility.

This month, we have one horny X-Rated confession from a big-tit fanatic-God love him! You know the type of guy we're talking about-skinny, beautiful models don't even get a first glance. But, he can spot F-cup boobs on a crowded street from a mile away. Best of all, we get to read all about it, and we give him a \$100 check to help finance his future adventures.

Anybody else out there living the life with the gift of gab? Send in your true-life confessions to: The X-Rated Files, 1629 N.W. 84 Avenue, Miami, FL 33126. No professional writers, either. Only big-tit loving V-men need apply.

SECRET PICK-UP MOVES OF A BIG-BOOB PLAYER

Dear X-Rated Files,

I just wanted to tell you that I love *Voluptuous*. It is the best. And I finally wanted to send in my X-Rated File. I thought that you and my fellow readers might find this story interesting.

I have lots of stories to tell. I love big tits and long nipples. I always seem to pick 'em. I am including a photo for proof. Hopefully, you won't print the photo, just the story. I don't wanna piss her off, as she doesn't know I'm writing in. I just wanted to give you proof that what I'm writing is 100% true. In fact, I have a shitload of stories and super-hot photos of girls I have fucked over the years. Here's one of them...

In the summer of 1998, I was a young, pretty good-looking guy driving my gold sports car through the blistering Texas summer. My plan was to drink a few beers and even more mixed drinks and go to one of the local clubs. It was "Wet T-Shirt" night in a club called "Monopoly."

I had just left my main squeeze, Michele, who at 19 wore a 42HHH bra.

Believe it or not, but Michele got all pissed at me for ogling some older chick with even bigger boobs. I told my now "ex-girlfriend" that I couldn't help myself. Looking at big tits, for me, is like eating or breathing air. It's an involuntary thing that I do without even thinking about it. To love me is to accept my passions, especially my biggest passion in life, which is my obsessive love of big, natural boobs.

She wasn't very understanding.

So, there I was driving down the main street of the city when I saw "them." She was walking in the direction I was going. I was at least two blocks behind her on this particularly humid morning. She had two huge tits the size of water coolers. They were so huge, that even from behind, they got this tit-man's attention.

I slammed on my brakes and pulled to the side of the street. There wasn't much traffic on a Sunday morning. Everybody in town must have been at church or sleeping in.

I sprayed on some cologne that I kept in the glove compartment, wiped my face with a hanky just to make sure I

NADINE JANSEN

With More To Love and Even Bigger F-Cup Boobs!

From one German Natural (Anja) to *the* German Super-Natural...Here comes Nadine Jansen, bustier than ever! Yes boys, thank whomever you hold holy, 'cause Nadine's perfect boobs have now become virtually surreal!

Photographed by Los Angeles lensman Nick Sage, the now 23-year-old Nadine has grown from an E- to an F-cupper, and she's gotten curvier than ever. All courtesy of...beer and brats. Germans love their high-carb foods, and Nadine is no exception, which is fine with us. As for her extra curves, Nadine told us that she was a bit nervous about them, society being all caught up by the "thin is in" Gap commercialism, and she was nervous about posing until she lost some weight. But when we went ga-ga over her bustier, bigger body, and reiterated to her what readers have told us over the years—"All that means is there's more to love!"—Nadine got happy, and we got lucky with her newest photos!

The only thing missing from Nadine's posing is the xxxplicit-ness. We're like a lot of you guys and would like to see some brown-eye, dammit. But, Nadine is Nadine. Shy and conservative, just like she was the first time she appeared in the Sept. '02 *Voluptuous*, the only thing that has changed about Nadine is her incredible body—for the better. Still, it could be worse. Lots of ladies lose their boob power as they get older, and without the tit-ties, they could shove a grapefruit up their ass and we could care less. Nadine, however, keeps getting bustier and cute with every passing day. Do we care if Nadine gets more risque? Nah. We're big boob lovers here at V-Mag, and regardless of how raunchy Nadine Jansen gets, the new German Wunderbabe will continue to be what she's always been... One of the greatest super-sized tit-models we've ever seen!

didn't have any excess baggage that would scare a girl off (nothing freaks chicks out like a booger hanging from your nose or some goop in the corner of your eye), checked myself in the mirror, and pulled out again.

She was about 5'2" and roughly 140 pounds from the look of her. She had long, black, wavy hair that hung to her shoulders. She was wearing a pair of tight, two-toned jeans. Her big, meaty ass looked like an upside-down heart. Her white T-shirt was tucked in her jeans. In between all of this, she had an unusually small waist. I had to stop!

As I drove slowly toward her, I noticed a huge, thick bra strap. Now, like all big-tit lovers, I'm a bra expert. One hook, forget about it. Two hooks. Nah! Three- and four-hookers mean D-cup tittiers or greater, so those get my immediate attention. Anything with a higher hook count, like the holy grail of harnesses—the very rare, one in 10 million six-hook bra—I practically have a hard-attack, if you know what I mean.

This particular one looked like it had about eight hooks. *Eight!*

I literally pinched myself to make sure I wasn't in some incredible dream.

Then, I pulled up next to her and almost had an accident. Her T-shirt was about to bust! Her thick, round and *extremely* long tits stuck out about what looked to be about two feet from her chest and hung roughly seven inches past her belt line. All of that tit-flesh flowing all over the place, and the udderly unbelievable thing was, she was wearing a bra! Talk about power tits! This girl had them!

My big cock started to jump and my heart started beating fast. I didn't know what was happening, and before I knew it, I came all over myself.

I wasn't even touching my dick or anything. I just shot a thick, gooey load all over myself.

I cursed myself. Cum or no cum in my pants, I wasn't going home without talking to this pretty titter. Her face was flawless, but not glamorous like some movie star. She was just a pretty "plain Jane," and it didn't look like she was even wearing any makeup.

I was thankful for the early morning heat. I had started to sweat. A lot. I

Ass Shot of the Month

MANDI HART

Our 197-Pound "Plumper of the Month!"

All righty, boys, this one goes out to all of you guys who are writing in to the V-Mail every month saying, "Bigger Plumpers!" Here's Mandi Hart. Five-foot-three, 197 pounds and, dare we say it, perhaps the "Perfect" Plumper. With most ladies pushing the 200 pound envelope, you tend to get a lot of excess here and a bit too much there. But, with Mandi, she's so well proportioned, all she gets is curvier and sexier.

Yowza! Now that's an ass to die for! And, for those of you who live in the great state of Oklahoma, it might look a bit familiar. Envision those round, full ass cheeks wrapped in denim and that pretty face topped with a hard hat, and you'll have Mandi Hart. Are ya ready for this one? She's an "industrial construction" worker, which means Mandi gets to play with the boys all day, running those forklifts and dump trucks we see at construction sites. We shit you *not!* Mandi is a construction worker! Which leads us to the morale of this true-tale...The next time you're out and about, take the time to look around and see the tit-ties, because you never know where or when you'll be next to the next great *Voluptuous* babe.

You wanna know the mark of a great model...and a horny one? When she's posing for the first time and you yell out, "All righty, Mandi, it's time to assume the stink-bug position!" She spreads her legs wide, bends over and says, "I wish I had someone in here to give it to me!" Your *V-Mag* editorial staff tried, but no such luck. Instead, and this is lucky for ya'll, Mandi is cumming back into our studio for her hardcore video debut with a pro pistolero! More than likely for a *XL Xtra* video, which means a whole lot more to love! Watch for that video and a hardcore pictorial of Mandi, cumming at ya real soon!

rolled down the window and said, "Excuse me. Good morning. I'm looking for an ATM machine. Is there one around here somewhere?"

The beautiful woman with the whale-sized tits bit the hook. She crooned, "Hi. I'm not sure. I'm just visiting here. I think there is one up ahead," she said, pointing forward.

I thought, "Hmmm...New to town, eh? This is my chance to scoop her up and do a few numbers on her before anybody else deflowers my prize." I put on a mournful face, faking pain and suffering, as I lied my ass off. "Me, too. I've only been here about two weeks. I really don't know too much about this town. Sorry. I didn't introduce myself. My name is Jimmy."

She smiled perfectly. One tooth on the bottom was slightly chipped, but with those tits, who cared. She could be missing half her tits, I wouldn't have given a shit. She extended her soft, manicured hand and said, "My name is Valentina." Her tits were so big, her arms looked short. My kinda gal.

We made small talk for about 15 minutes or so. I couldn't get out of the car. I had cum on myself. Of all the days and of all the pants I could have worn, I was wearing a pair of tan dress slacks! Un-fucking-believable!

I asked, "What are you doing now?"

"Just walking around. Getting some air. I babysit for my sister and her husband all week. Plus, I don't like to go out too much during the week. Sundays are more quiet. I don't like the attention I get," she answered.

I ignored everything she had said, and I offered to take her for a coffee or something down the street. I thought it would be best to ignore the size of her chest and concentrate on having a productive conversation. It was a very smart thing to do. I have been practicing that routine now for the last 35 years, and I hope you guys can glean something from my experience to help you pick up busty girls, too. First lesson...Don't cum in your pants on first sight, or at least wear dark pants!

She agreed. I noticed she didn't put her seat belt on. We went to the small cafe and chatted about different things

CHAKA T.

The Bra-Model Turned *Voluptuous-Girl*

If you've been reading *Voluptuous* for a couple of years, you know Chaka T. Now a four-timer in *V-Mag*, Chaka is up for 2003's coveted Model of the Year award, which we will announce next month in the May '04 issue. She's been a reader favorite since her Jan. '02 debut, and with some of the most perfectly proportioned tits to go with a pumpkin-round ass and plenty of curves in between, the question isn't "How good is Chaka T.?" What we really want to know is, "How good can she get?" Only time will tell...

Unlike some models who grew up fearing boob prejudice and hiding their bodies, Chaka T. is exactly the opposite. Proud of her body and happy to show it off, she started modeling in the late '90s, doing bra ads for Bloomies and Macy's. Yes, boob-man, those Sunday inserts we all jack off to looking for areolae and nipple, wondering what they would look like in *V-Mag* doing the Full Monty. With Chaka T., you don't have to fantasize. Here's the real deal!

Jeez, Chaka looks so damned happy here, doesn't she? With good reason. No, she didn't win the lottery or marry Harry from England. She's got beautiful tits. That's enough for Chaka, who is also downright giddy to report that her boobs have continued to grow, though not at the cup-size-a-year pace she was on a few years ago. *Say what?* To explain...Chaka was always a D-cuppper as a teenager and as a young adult. Then, in something straight out of a tabloid TV show, the most amazing thing happened. Her tits started getting bigger and bigger and bigger. No implants, no pills, no nothing. Just Mother Nature taking care of one of her own—a chick thing of the highest order. Where will Chaka's boobs stop? Even she doesn't know. She's now a 36H-and-a-half and getting ready to go over the edge into yet another cup size. Holy hooters, boob-men! Will she ever stop? Will there be a page big enough to hold her? Will Ben & Jerry make a Nipple-Flavored Ice Cream? Stay tuned in to future issues of *V-Mag* for the answers to these and many other questions!

"Jimmy, why are you apologizing?" she asked.

I thought for a second and looked down at the floor somewhat dejected. I folded my hands over the lump under the towel. "Because I got a hard-on for nothing," I lied. Believe me, I got a hard-on for something.

She walked toward me, leaned in close and whispered, "You didn't even invite me to take a shower with you."

I almost fainted. Motherfucker. I could've skipped through all of this drama and just gone for the gold.

Just as I was thinking that, she said, "I'm glad you didn't, even though you don't seem to care about my awkward figure, it would have been embarrassing for me to be seen like that."

I played real stupid. "Figure? What in the world are you talking about?"

"Don't tell me you didn't notice." Her face was starting to flush.

It was time to be stupid again, but in a milder degree. "Notice what?"

"These!" she said loudly, pointing at her incredible rack.

I bucked my eyes mockingly and lied, "Jeez! I didn't even notice them!"

She called me a lying asshole. She said she saw the handkerchief I was carrying in front of my leg the entire time. She saw the big wet spots of jizz I shot on my pants, too.

I said, "I'm sorry, but I thought your eyes were pretty and I liked your hair. I was sitting in the car when we met. And you were leaning forward talking to me. And in the cafe, you were sitting and...well, you know..."

She cut me off, saying that it was hard to believe. I said I wasn't trying to make an ass out of her and I asked her how could I make up for it.

She pulled my towel open. My dick was hard, again. She folded the towel lengthwise and hung it on my huge, hard cock. "I can use your cock for a towel rack!"

I laughed.

She pulled me by the dick and led me to the bathroom. When she started to undress, I felt that stupid feeling again. My heart was beating fast. She kicked off her shoes and took off her jeans, as I really started to sweat. Then, she pulled up her shirt, and my cock started trembling and jumping. She hesitated and unfastened her giant bra. At this point my legs were trembling. Her monstrous tits fell out of her bra.

They hung to the middle of her thighs. I couldn't hold it another second. Cum shot out of my dick like a cannon. She jumped to her knees and caught the load in her mouth.

I was embarrassed again.

She said, "My God! Don't worry. That's not the first time that happened! Only...Only, I never saw that much sperm at once like that!"

Looking down at her, it was a wonder why not. Her tits were bigger than my thighs! Her nipples were the size of my thumbs. She had rings around her nipples the size of cereal bowls. I was in heaven. She said, "Forget the shower! Where's your room? We need a bed!"

She laid down on the bed. It looked like she had three heads. Her tits hung over her shoulder and about two or three inches past her head. We fucked eight times in six hours. I nearly suffocated when she rode me. My entire head disappeared when she leaned forward. I tried to count the seconds that I could hold one tit up. It was useless. They were like mountains on the bed when I fucked her from behind. I remember her pulling her nipples to the side so I could play with them.

My God. This was big-tit heaven.

Later, when we were talking in bed, she said it was the best fuck she had ever had. I felt quite proud of myself, especially when she said she wanted something to remember me by, and she pulled a camera out of her purse and took a picture of my dick.

I went into one of my bedside dresser and returned the favor, taking a picture of her huge tits for my collection.

We cleaned up, I drove her back to town and we kissed and have never seen each other again. I wonder if she still has her picture. I have mine in my most treasured possession—a photo album of my own V-girls!—J.S., Italy 🇮🇹

VICKY

Courtesy of the V-Mag Photo Library

Who has the biggest, baddest, bustiest photo library in the whole wide world? The SCORE Group, bar none! Augmented legends, two-shot wonders and especially *Voluptuous* vixens like Victoria. Star of the late '90s, a 1999 Model of the Year finalist, retired for three years and now little more than a fond memory for long-time readers. Yet, thanks to the magic of the *Voluptuous* Photo Library...Here come never-before-published pictures of Vicky, as fresh as the day they were taken.

A computer programmer and Native Brit, Vicky appeared four times in two years, her last pictorial in the July '00 issue. Although she was a Finalist in the 1999 M.O.Y. contest, that contest was loaded with Linsey, Via Paxton, Kerry Marie and basically every model from last month's "Top 10 of All-Time." Vicky told us after the contest was over, in her almost trademark self-deprecating manner, "Somebody actually voted for me! I didn't even vote for me. I voted for Linsey!" As it turned out, a lot of people voted for Vicky, much to her own disbelief, vaulting her ahead of legends like Carol Brown, Jessica Turner and Kerry Marie. Gracious always, she told us that all of the voters "must be mad." They were, Vicky, with love!

How would Vicky compare with today's busty babes? Pretty damned good! Every time we hit the *V-Mag* Photo Library and find some blast from the past like Vicky, we get instant wood. In the era of Linsey, Lorna, Kerry, Vicky was always that "other" Busty Brit. "It never really bothered me," Vicky told us when we called her at home in England. Still a computer geek and single ("I'm still looking for that right man!"), Vicky hasn't changed one bit. "Lins and Kerry deserve all of the accolades. They're stars. I'm just a lady-next-door." Trust us, Vicky, that's enough.

DESIRAE

All The Way With Desirae!

So young, so cute and...so damned horny! That's Desirae, *V-Mag* favorite, star of a couple of great hardcore videos, and still only a young-un' at 22 years old. Already in her eighth *Voluptuous* pictorial in less than three years, Desirae has cum a long way in a short time span. When we first saw her on the June '01 cover, she had very few inhibitions, debuting with her hardcore cherry popping video, *Desirae Goes All The Way!* Now, after, a great hardcore encore in *Voluptuous Xtra #3*, she basically has no inhibitions whatsoever. She fucks, she sucks—real or fake dick, it doesn't matter. And, she talks a good game, too... "I love to be fingered in the ass and the vagina at the same time! I like to be treated as a sex slave!" All righty, then. Break out the big boys, V-Men. It's time to show Desirae who the master is!

With boobs so pendulous, you could use them to tell time, Desirae could have the worst lower half in the world and she would still be a great tit model. Fortunately, she's the complete package. Fortunately, for Desirae that is. "I love my body. I think I have a great ass. I like to show it off, too, wearing tight jeans or skimpy shorts. In fact, so many guys I see don't even notice my boobs." What part of her body does Desirae love the most? "Believe it or not, I love my skin. It's so smooth and soft. A lot of girls have dry skin and they don't look, you know, sensuous. My skin is so soft and it looks very luxurious. I have super soft hands, too. Trust me, when I give somebody a handjob, it's the greatest they've ever had." Ya'll fantasizing about the same things we are? Good! That's what *V-Mag* is all about!

those round and massive mounds of tit, the pristine rotundity of her basketball ass cheeks and that plump belly—I so adore her. BIGGER PLUMBERS

Dear *Voluptuous*,
 I love big girls, and one thing that *Voluptuous* is lacking is every time that you put in a Plumper of the Month, she is grossly underweight. A “plumper” to me is a honey weighing in from 160-200 or more pounds. A 149 pound woman is small enough for *Playboy*. You need bigger women to count as Plumbers of the Month.

I have met big girls 200-plus and this is the perfect size for me. For my plump soulmate, starting a Pen Pals Personal section would be great to help me start.—T.S., Pennsylvania

MORE ETHNIC MODELS

Dear *Voluptuous*,
 I love your magazines, especially *Voluptuous*. I’m a 30-something, white male and my favorite models are Chaka T. and Emage. If you featured them in every issue, I wouldn’t get tired of seeing them. Chaka has the perfectly *Voluptuous* figure.

As for Emage, how could God pack such great curves in such a petite frame? I would love to be with either of them. I would love to enjoy every inch of Chaka and Emage.

I don’t have a foot fetish. However, since that is what Emage is into, I’ll gladly suck her toes until she’s satisfied. I love the fact that your magazine has African-American and Latin-American women in almost every issue. However, I would love to see some other ethnic models displayed in your publications. LIKES:
 To rebel against the “Fake American perception of beauty”. Toothpick women do not fly in the Latin culture. A real woman should have curves...and boy do I have them...don't you agree?
DISLIKES:

beautiful women of the world are from India and the Middle East. I would love to see *Voluptuous* examples from these groups in your magazines. A BIG VOTE FOR PEN PALS

Dear *Voluptuous*,
I have been a *Voluptuous* subscriber for a couple of years now, and I absolutely love the magazine.

I just got the Jan '04 issue and wanted to respond to a couple of things. I sure do wish that I had experience as an assistant editor or an art director. I saw your ad for "Help Wanted" and realized what my dream job would be. I would love to work for *Voluptuous*. Although I am an educated *Voluptuous* lover who is currently unemployed, I have found that over the years, I am only attracted to women with big, natural breasts and would love the opportunity to work for such an awesome company.

Unfortunately, I do not have experience in those two areas. I am an accountant by trade and would basically give my left nut to work around women of these caliber. How about a model scout? I would love to spend my day looking for women who would qualify for your magazine.

I also wanted to send in my votes for Model, Newcomer, and Plumper of the Year.

Model of the Year and Plumper of the Year should go to Sarah Mercury. What a display of beauty and curves. What I wouldn't give to marry a woman like that. Sarah is a sheer beauty who should get more recognition than she gets. Sarah gets my vote for both categories.

Newcomer of the Year definitely is much harder, no pun intended.

Christiane has boobs that would rival anyone's. What beautiful breasts.

Sapphire has a very woman-next-door look, but has nice assets.

Brandy, "wow" is all I can say.

Maria has a very down to earth look and major melons-very nice, indeed.

Cassitty-what a display of tit sucking and those nice long legs.

Ines Cudna is probably the most beautiful V-girl ever to appear.

Cherry, her name says it all.

With all of that said, my vote has to go to Nicole. What an amazing display of a woman. I think the real things that makes her get my vote are her eyes and eye lashes. Not to mention Nicole has a rack that any man would die for. Nicole is my Newcomer of the Year. I am definitely a V-man. Not just her eyes and eye lashes got me, but it was her overall Voluptuous figure.

Last but not least, I want to respond to your question about personals or pen pals. I would love for you to bring them back. I don't think I ever saw them the first time and would definitely take advantage of them in the future. I totally agree with the reader who wrote in asking about personals. A great idea.

I am single, athletic, attractive and know how to treat a woman. More importantly, I know how to treat a V-woman. My only downfall is that I have a large- and natural-boob fetish. I love them. I can't get enough of them. I look for women all of the time who would fulfill the large boob category, but come up empty most of the time. I once dumped a great girl because her boobs were not big enough. Now is that a V-man or what? Your magazine is #1.-"Eric," Iowa

Dear "Eric": All of our readers are talent scouts, albeit unofficially. We pay finders fees if you find girls with the right stuff and they pose. Trust us, it ain't as easy as it sounds. Secondly, thanks for your votes. Our awards issue is next month, and we'll see how close to the mark you are. As for Pen Pals, we're going to continue to gauge readers' sentiments to see if it is something that would add some vitality to V-Mag. Interested readers should send in their contact info to be listed if and when Pen Pals begin.

AUTUMN JADE

Miss Perfect Hangers

We know we're not supposed to play favorites here at *Voluptuous*, but with Autumn, we just can't help ourselves. Her face says "lady in the parlor, whore in the bedroom," and with those succulent, full, gorgeous, more-than-five-handful hangers, she's a tit lover's wet dream cum true. Now that Autumn is wet and sudsy for her 10th *V-Mag* appearance, go ahead, play favorites and give this sexy Southerner a shot that would put those bubbles to shame. Trust us, Autumn wants you to.

Plumper than ever with more curves and huge boobs!

A Model of the Year Finalist several times, Autumn has gone through the full spectrum of womanhood. She started modeling back in 1999 as a slim-n-stacked Southern cutie pie with incredibly full hangers. Then she plumped up a bit, and her boobs got even bigger. As most formerly skinny chicks do, Autumn lost the weight, and her boobs got smaller. Now she's back to her proper fighting weight again, and those hangers have gotten some heft and are as full as we've ever seen them. Thankfully, all of that fluctuation is over, and Autumn has decided that this is the perfect body type for her. "It was really just an eating thing. I stopped eating to be really skinny. Now, I love the way I look. When I was dieting, my boobs got empty up top and they just kinda hung there. Now, they're really full. I mean, *really* full and plump and heavy and curvy. And the rest of my body is the same. Real curvy. I like that." Hey, we're with you, Autumn. Don't ever change!

Yeah, we know all of you guys wish you could jump right into the tub with Autumn. So do we. Instead, we'll all have to live vicariously through video. *Ultimate Autumn* is one of our favorite Autumn fuckfests and the other is *SCORE Xtra #7*. Both have Autumn doing all of those nasty hardcore things we love, and *Ultimate Autumn* even has Miss Perfect Hangers deflowering Lilith (pictorial on page 20 of this issue) in a raunchy girl-girl. Call it "guys night in!" All you need is a case of Coors Light, a big bath towel and a VCR or DVD player hooked up to your TV and you can live the good life with Autumn any month of the year.

CASEY CLEAVAGE

A Future Superstar's 1st Hardcore Hammering!

Over the past year, we've all read Casey Cleavage talking about how she likes to fuck and suck the man-meat. And, up until now, it's been, "Yeah, yeah, yeah, Casey, we love your tits and your dirty, sexy mouth, but let's see ya do it!" Well, boys and girls, Casey's putting a cock where her mouth is and letting her pictures do the talking with her first-ever boy-girl fucking. In her mouth, up her cunny and splat-tering all over. Welcome to the wonderful world of *Voluptuous Xtra*!

Fresh off her selection as one of *V-Mag's* Top 10 "Future Superstars," Casey knows she has some big bras to fill to live up to that billing, and she's starting with a not-so-big cock. But, and here's some good news for all of us non-porno guys, Casey doesn't need a footer to get off. In fact, she prefers the smaller ones. "Women always say 'give me a big one!' But, that's all for show. I prefer a smaller, five- to six-incher. My pussy is so tight. A lot of *Voluptuous* women I know are like that. Big bodies, tight pussies. Guys with footers look impressive, but my pussy hurts for a week after one of them. A six-incher fills me up good and really gets me off! After all, fucking is really about what gets you off, so leave that 12-incher in your pants. I'll take a regular guy any day!"

We all know Casey Cleavage has a dirty mind that she loves sharing. At least those of you who have been reading *V-Mag* for a year do. From her Nov. '03 debut pictorial, Casey has been steaming up our phone lines with so much phone sex...In all modesty, we came! We know all about her favorite positions, her cocksucking, what gets her off, where she likes a cum-blast. You know, the little things that make life worth living. Back issues are available on page 10 for those of you living the unful-filled *Voluptuous* life. As for Casey, with her first-ever boy-girl pictorial under her boobs, what's next? We can *hard-ly* wait!

Horny Prego-Poppin' Mama Needs A Three-Hole Fucking!

Now, we know *V-Mag* is a boys club and we all share and share alike. But there's a big secret some of us guys have been keeping. Preggers! They are the absolute horniest women on earth. Something about hormones. Who cares? If you're one of the select few who have tasted the forbidden fruit and felt the animal lust of a pregger in heat, you know what we're talking about. These women don't just fuck! They go fucking crazy!

We're catching Jo in her eighth month, and in her own words, "I really needed a fucking, bad! In my mouth, in my pussy, in my ass! I needed to get fucked in every hole in the worst way! Ever since my third month, I've been so horny with no man around. I've been masturbating constantly. All the bloody time! I'm always horny, and my boobs are so damned hot. They were big before, but now they are all flush with motherhood. When they rub against my bra, I practically cum. Put a hard cock deep in my asshole and let my tits dangle against the bed...I become a wild animal! I won't ever stop cumming!" Trust us, Jo, we're cumming, too!
